Peace with Justice Sunday June 16th

This year, we have great hope that our Conference-wide participation will increase – hopefully meeting the 30% goal that we set for ourselves at the 2017 Annual Conference Session.

Half of all the Peace with Justice money collected in our Conference, stays right here to fund ministries of local churches, community groups, and individuals who are starting or expanding a project that addresses one or more of the United Methodist Social Principles. The Social Holiness Team has just completed our first round of grants for 2019.

It's exciting to see the ways United Methodists are in ministry in our state and beyond. We look forward to our next round of grants in the Fall to seeing what other projects are being formed. Learn more at umcgiving.org.
